Safeguarding Statement: (each academy has its own safeguarding policies)

- The welfare of the child is paramount.
- All children irrespective of their age, cultural background, disability, gender, language, racial origins, religious beliefs, sexual orientation have the right to be protected from abuse.
- All teachers, including headteachers, will safeguard children's well-being and maintain public trust in the teaching profession as part of their professional duties (Teacher Standards updated 2013).
- All suspicions and allegations of abuse will be taken seriously and responded to without delay.
- Senior Leaders will take responsibility for ensuring that such concerns are dealt with and responded to in line with the Trust / Academy procedures.
- All staff, including temporary or agency staff as well as visitors to our Academies will subscribe to this statement and the Academies policies and procedures and will report any concerns accordingly.
- All staff will recognise that often their duty of care might go beyond just the presenting concern as it may highlight relevant and connecting issues in and for the rest of the family.

In order to fulfil these requirements, each academy will:

- work to prevent or eliminate, as far as is possible, incidents of, or threats from, any form of abuse within any academy;
- ensure it has all policies and procedures in place that are up-to-date and relevant for the safety of all and to ensure all concerns are progressed speedily and efficiently, even at an early preventative stage;
- ensure that there is absolute certainty about the named people responsible for safeguarding and this information is known to all;
- have in place reviewing and auditing mechanisms to ensure that all staff, volunteers and other appropriate people are fulfilling their responsibilities and that current systems are effective;
- offer assurances and undertakings to children and their parents/carers of the care their children will get and the framework for dealing with the prevention of harm and abuse;
- ensure that it has in place appropriate training programmes to maintain staff awareness of their responsibilities in relation to child and adult protection;
- ensure that it complies with all relevant national and local changes in legislation, guidance and protocols; and completes and submits trust annual safeguarding audit.

The Inspiring Primaries Academy Trust Central Team will:

- ensure that all policies and procedures are reviewed and updated in line with national and local requirements and appropriate changes are disseminated to all academies;
- ensure that there are systems in place to support the effective management of safeguarding, especially the role of DSLs, training for all staff and supervision as appropriate;
- ensure that there is available to academy leaders someone who can offer appropriate external advice and support with safeguarding concerns, especially when they are complex and/or relate to allegations against adults working within the Trust; and
- ensure quality assurance processes are in place and oversee the information they produce to measure the progress and effectiveness of existing safeguarding frameworks.
